October 20, 2023

Dear Principal,

On the occasion of CBSE Regional Level Adolescent Summit on the theme "Life Skills, Mental Health, Safety, Well Being and Gender Equality" and G20 State Level NEP Conference on 10th and 11th August 2023 at Hyderabad, the active involvement of your school was praise worthy. I am sure that your school's dedication to holistic education and the cultivation of well-rounded individuals will immensely benefit your students.

The innovative displays and interactive activities that your school featured succeeded in captivating the attention and stimulating the thoughts of the attendees. Kindly convey my sincere appreciation to both the students and their mentor teachers who collaborated harmoniously to bring forth the exhibition on Life Skills.

My heartfelt congratulations to you and your team for spearheading this inspiring initiative. I am confident that your commitment to progressive teaching methodologies will continue to enrich the educational experience for your students.

May the path you have embarked upon be illuminated with continued success and achievements for your esteemed school.

Yours sincerely,

(Dr. Joseph Emmanuel)
