Children's day Report 2021

A day marking childhood was celebrated with fun and disport at our school. It all began with a special school assembly in the auditorium wherein the teachers stepped in to the shoes of our students and conducted the entire assembly right from prayer (Gayathri Mantra, Asathoma Sathgamaya), DAV Gaan, pledge, reading news, saying the thought of the day and new word.

Later there was power packed programme specially arranged for the children. Teachers gave various performances for the students in order to exhibit their love and affection for them. A skit on the importance of hardwork and a dance for “Bum Bum Bhole” from the movie “Taare Zamin Par” were very entertaining. The auditorium was buzzing with excitement and joy.

To highlight the importance of the day an informative speech was delivered by Mr. Sayed Khaleel, our social science teacher. The day ended with distribution of sweet to the students and wonderful memories lingering in everybody's minds. Later in the evening games were organized for teachers in the school premises. Games include dumb charades and musical chair. The Principal of the school appreciated the teachers for putting up a good show.

“There is no garden as beautiful as childhood”.

“Children are our most valuable resource.”

“Only where children gather is there any real chance of fun.”

Children are like wet cement, whatever falls on them make an impression. So let us work together towards the betterment of children, our future generation.
