## Christmas Celebrations 2021

“Christmas is not a time nor a season, but a state of mind.

To cherish peace and goodwill, to be plenteous in mercy is to have the real.”

"Christmas gives us an opportunity to pause and reflect on the important things around us."

This year in our school Christmas was celebrated physically in a unique way with great fervor and enthusiasm. The boundless joy of celebrating this festival was quite evident on the faces of each child. The teachers decorated the Christmas tree with bells, streamers, stockings, stars and shining lights. Children welcomed and apprised their friends and classmates about Jesus Christ and the significance of Christmas. Children melodiously sang Christmas carols, narrated stories about the birth of Baby Jesus. The story motivated children to become good and kind human beings. Group dances were also performed by students.

The students dressed in red and white and traditional attire. Some dressed as Santa delivering a message of peace and harmony around the world. It was a great way to bring joy and happiness during these challenging times. The celebrations concluded with a poem by T Jhansi of Class V.

Our School Principal congratulated and appreciated the efforts of students and encouraged them to experience the power of sharing and helping others. Wishing all Merry Christmas and a healthy and fabulous New year!
