DAV MOVEMENT

The ennobling and inspiring force of the reformatory movement led to the inception of the 'Dayanand Anglo Vedic (DAV) College Trust and Management Society', which was registered in 1886 under the societies Registration Act XXI of 1860. DAV very soon turned out to be a very popular, forceful and important educational movement of our country. The architects of DAV movement were personally committed and dedicated to form a truly educational enterprise that responded to the aspirations of the community and thereby the nation. The first DAV institution was established in Lahore on June 1, 1886 with Lala Hans Raj (later known as Mahatma Hans Raj) as its Headmaster.

This movement was led by visionaries like Lala Raj, Bhai Parmanad, Lala Dwarka Das, Principal Sen Das, Ram Ratan, Bakshi Tak Chand, Justice Mehar Chand Mahajan, Lala Balraj and scores of other learned people. It blossomed into unique institution, spread all over the country emphasizing the confluence of Indian thought and values with modern science and technology. Anglo stands for modern western scientific knowledge while Vedic refers to Indian cultural heritage and values of life.

MISSION

Our mission is to develop young men with active and creative minds, a sense of understanding and compassion for others, and the courage to act on their beliefs. We stress the total development of each child; spiritual, moral, intellectual, social, emotional and physical.

VISION

To become revered institution while grooming the child of today to be capable, responsible, performing citizen and enabling growth holistically by creating a mature learning environment with the teaching and parental community at large.

OUR SCHOOL

With a dream to be pioneer in the field of education in the nearby areas, DAV School IITH Campus was established in June 2018 by DAVCMC, New Delhi. The school is open for the wards of Indian Institute of Technology Hyderabad employees and for the nearby village population. The school aims to provide effective teaching and learning situations, which help students to develop 4C's creativity, critical thinking, collaboration and communication skills to prove themselves the best one in the areas of problem solving and ethical behaviour. We equip our students with a set of qualities which will help them to be a human with empathy and sympathy and a true patriot.

Its building is a home to all facilities needed for the proper growth and development of a child. It is delivering excellent academic and co-curricular education with a strong emphasis on values and life skills development. The academic activities engage students in bringing learning to life with their curiosity and explorations whereas the library provides students with opportunities to access information to continue lifelong learning. The computer labs and the science laboratories are equipped with the latest technology and provide hands-on learning experiences to the young minds.

The facilities of learning art and music help students to come out with their love for the same and excel in that area too. Yoga has become a part of each student in the school. Students enjoy various games and sports in the vast area provided for it in the institute campus. The school creates a vibrant environment by conducting various competitions. The school encourages an effective Parent Teacher Communication which gives the teachers an insight into the child's strengths, interests, needs and areas of concern.

We prioritise safety and security of each child so; school is installed with CCTV camera covering the entire school premises including classrooms. Sufficient number of fire extinguishers is available at various places in the school.

At DAV IITH, we realize that an interruption of education for students can impact their learning at a crucial age and stage. This is why, we, at DAV IITH, are conducting online classes after the outbreak of COVID-19, where students and teachers interact with each other and each day brings a new learning experience for both.

GAMES AND SPORTS

Though academics is our main priority, we give equal importance to games and sports, keeping in view the all-round development of students personality. Games in almost all the disciplines are organized in the school.

At school level, inter-house athletic meet is held in the month of November in every academic session. Games and sports are also organised at state, national level and School Games Federation of India (SGFI) DAV National sports are organised for 800 schools in 17 zones (UK Zonal - Zonal National) School children also participate in different sports events organized by the CBSE.

CULTURAL AND LITERARY ACTIVITIES

Inter house competitions are held in Dance, Dramatics, Debates, Public speaking, Art and Science Exhibition, Quiz and Elocution contests. School teams are sent to other schools also to participate in inter school activities. A detailed schedule of activities is chalked out in advance and is incorporated in the school every year.

PARENT'S TEACHER MEETING

Once in 3 month is fixed for Parent's Teacher Meeting when parents have interaction with the teachers. Parents also discuss with the staff and Principal various aspects of education. Staff meeting follows parent's meet to deliberate on the steps to be taken on the suggestions of parents.

PHYSICAL FITNESS

Besides physical exercises, various games and sports activities and competitions are organised for physical fitness of our students throughout the year. Physical education is a subject at the senior secondary level and the school has well trained staff for it. For minor ailments and injuries, first aid is given in the school itself. For serious illness and injury, the child is rushed to the IITH dispensary which is on campus and the parents are informed immediately.
